## In Memory of Wayne Hamilton

[www.roadracingsupporters.com](http://www.roadracingsupporters.com) and Emerald Road Racing magazine would like to announce that donations of £300 each have been made to the Rob Vine Fund, The Southern 100 Helicopter Fund and The Manx Grand Prix Supporters Club Helicopter Fund in memory of Wayne Hamilton.

Wayne sadly lost his life during this year's Manx Grand Prix. His family, friends and sponsors at Emerald Road Racing expressed that any donations received in his memory should be forwarded to the aforementioned organisations who are also the beneficiaries of the [roadracingsupporters.com](http://roadracingsupporters.com) 2012 Calendar.

In light of the magnificent response from race fans a total of £900 was raised in his memory. We felt that this sum ought to be recognised independently of any monies received from Calendar sales.

Cheques have been issued today, Tuesday 11<sup>th</sup> October, and on behalf of all concerned may we thank everyone for their donations in commemorating this remarkable young man.

We will continue to accept further donations in memory of Wayne via the [roadracingsupporters.com](http://roadracingsupporters.com) website which will then be added to the proceeds of our 4<sup>th</sup> edition of the [roadracingsupporters.com](http://roadracingsupporters.com) Calendar. Race fans can buy a copy of the calendar, featuring Wayne, from here
